## ■ What makes a GREAT Data Scientist?

What is it that differentiates good Data Scientists from the GREAT ones? How can you be great too?

**A 75 minute session, packed  
with info, tips to get you ahead  
of the competition!**

## Hi, I'm Andrew!

*I've been in Data Science for over 14 years, working at top tech companies including Amazon & Sony PlayStation. I've interviewed and screened hundreds of candidates, and I've seen, first hand, what it is that differentiates success from rejection.*

*I now run the online Data Science programme DATA SCIENCE INFINITY where every day I help students learn the right skills, in the right way, and move successfully into amazing roles in the field! Take a look at what we'll cover in the training session...*

## Ritesh

"I had over 40 interviews without an offer. After working with Andrew in DSI, I quickly got 7 offers including one at KPMG and my amazing new role at Deloitte!"

## Marta

"I GOT IT! Thank you so much for all your advice & help with preparation - it truly gave me the confidence to go in and land the job!"

## Barun

"Andrew's guidance with my Resume & throughout the interview process helped me land my amazing new role (and at a much higher salary than I expected)!"
